ABOUT CHRISTOPHER GATE CONSTRUCTION, INC.

With over 30 years of experience in high-end residential projects, Christopher Gate Construction is known for their exceptional standards of quality, teamwork and customer care. Collaborating with top architects, designers and homeowners on major renovation and remodeling projects, their craftsmanship, integrity and project management expertise are fundamental to their success and their work has been celebrated in numerous design publications. One of their recent projects includes a ground up renovation of a classic San Francisco Victorian. The team carefully preserved the home's historic facade while creating a modern, light filled interior with custom finishes throughout. The juxtaposition of old and new illustrates their dexterity in both traditional and contemporary design with precise attention to detail at every turn.
